# Nascar Experience

## A NASCAR Driving Experience for One Person

Estimated Value \$Priceless

Imagine yourself behind the wheel of a NASCAR racecar, suited up and speeding along at speeds of up to 150 mph. What a thrill being behind the wheel of REAL NASCAR racecars that have all been raced in competition.

You start the day being suited up. Then a 45 minute classroom session. Finally the experience of a lifetime, 10 laps of putting the pedal to the metal and seeing if you have what it takes to be a NASCAR driver!

There is no lead car to follow and no instructor riding with you. Using an in-car radio, the instructor guides you out onto the track. They'll work with you and the other students on accelerating, braking, passing, and finding your fastest line. With your loved ones on the sidelines watching, experience the once-in-a-lifetime thrill of a heart-pumping, white-knuckle race car drive. You focus on the track ahead while the roar of the engine drowns out every other thought. When the checkered flag waves, it's back into the pits and out of your safety gear. The best thing you'll take with you is the memory of your once-in-a-lifetime adventure.

Note: Complete list of participating dates and cities available upon request.

Your NASCAR Driving Experience includes:

- One NASCAR driving experience for one person for 10 laps around a Super Speedway
- Instructions from a professional driver and professional suiting including a Helmet (with one way radio communication) and a HANS Device
- A keepsake photo plaque that includes picture of you sitting on the race car and a stand alone photo of the race car you drove in, as well as track name
- If NASCAR driving experience is not available or is not offered in your city, and travel is required, please inquire about air and hotel at 866-607-2616

TERMS AND CONDITIONS: Travel package is non-refundable and subject to availability. Certificates/Gift Cards are not replaceable if lost, stolen, destroyed or expired. All drivers must be 18 years of age or older and have a valid driver's license. Since the race cars don't have doors, all drivers must have the ability to climb through a 15" high by 28" wide window that sits 35" from the ground. Drivers must be at least 5 feet tall. Maximum height is 6 feet 4 inches. Waist and chest can be no bigger than 52". No racing experience is required. All of the vehicles are standard transmission, if you need help operating a standard vehicle the pit crews will help you leave the pit area and get you up to speed quickly. Driving dates vary by location. Dates are subject to change and new dates may be added. In the event of inclement weather or situations out of the racing experience's control, a gift card will be issued or you may be rescheduled. A 45 day advance reservation is required. Travel is valid for 12 months from date of issue.

## Cruise from Royal Caribbean International

### Cruise Past Fishing Towns and Majestic Fjords Aboard Royal Caribbean International to Alaska for Seven Nights in a Veranda Stateroom for Two

#### Estimated Value \$Priceless

Drink in the splendor of the seas as you make your way along the Alaskan coast, in and out of passages, past fjords, and miles and miles of wilderness. From the breathtaking sights of Hubbard Glacier to the pioneering spirit of Juneau, the gold-rush spirit of Skagway and the totem poles of Ketchikan, Royal Caribbean's Alaska is as rustic and romantic as one could ever imagine. And with ports such as Seattle and Victoria, British Columbia, Royal Caribbean showcases the quintessential character of the Pacific Northwest.

Quaint fishing villages and cosmopolitan cities combine for a unique glimpse into Alaska's character and culture. View the most dramatic Alaskan glaciers at the end of the narrow, twisting slice of ocean called Tracy Arm Fjord. The fever of the gold rush took over Skagway years ago, and still embracing its past, today the city has managed to preserve its frontier spirit with saloons and dance-hall venues. Ketchikan is known for a few things as well: being the jumping-off point for seaplane excursions into the Misty Fjords National Monument and its 2.2 million acres of wilderness nirvana, as well as being the ancestral home of the Tlingit tribe. As you make your way past Hubbard Glacier, nicknamed the "Gallop Glacier" because of its fast pace - faster than almost any other glacier on the continent. In 1986, Hubbard Glacier moved an average of just under 5.5 feet per hour. From the pristine forests and the majestic mountains of the United States, to the unspoiled Alaskan wilderness, this is sure to be an unforgettable cruise.

Sample Itinerary: Vancouver, British Columbia; Inside Passage (Cruising); Juneau, Alaska; Skagway, Alaska; Tracy Arm Fjord, Alaska; Ketchikan, Alaska; Seattle, Washington

Your trip for two includes:

- 7 night Alaska cruise on Royal Caribbean International
- Seattle, WA; Seward, AK; Vancouver, British Columbia embark ports
- Cruise fare for two as well as existing government fees and taxes (guests are responsible for incidentals they may wish to purchase while on the ship)
- Standard recommended gratuities
